

A person is seen from behind, ziplining over a dense, green forest. The person is wearing a blue harness and dark shorts. The zipline cables are visible, extending from the top of the frame down to the person. In the background, a large, rocky cliff face rises above the trees. The overall scene is adventurous and scenic.

# Connect with Nature

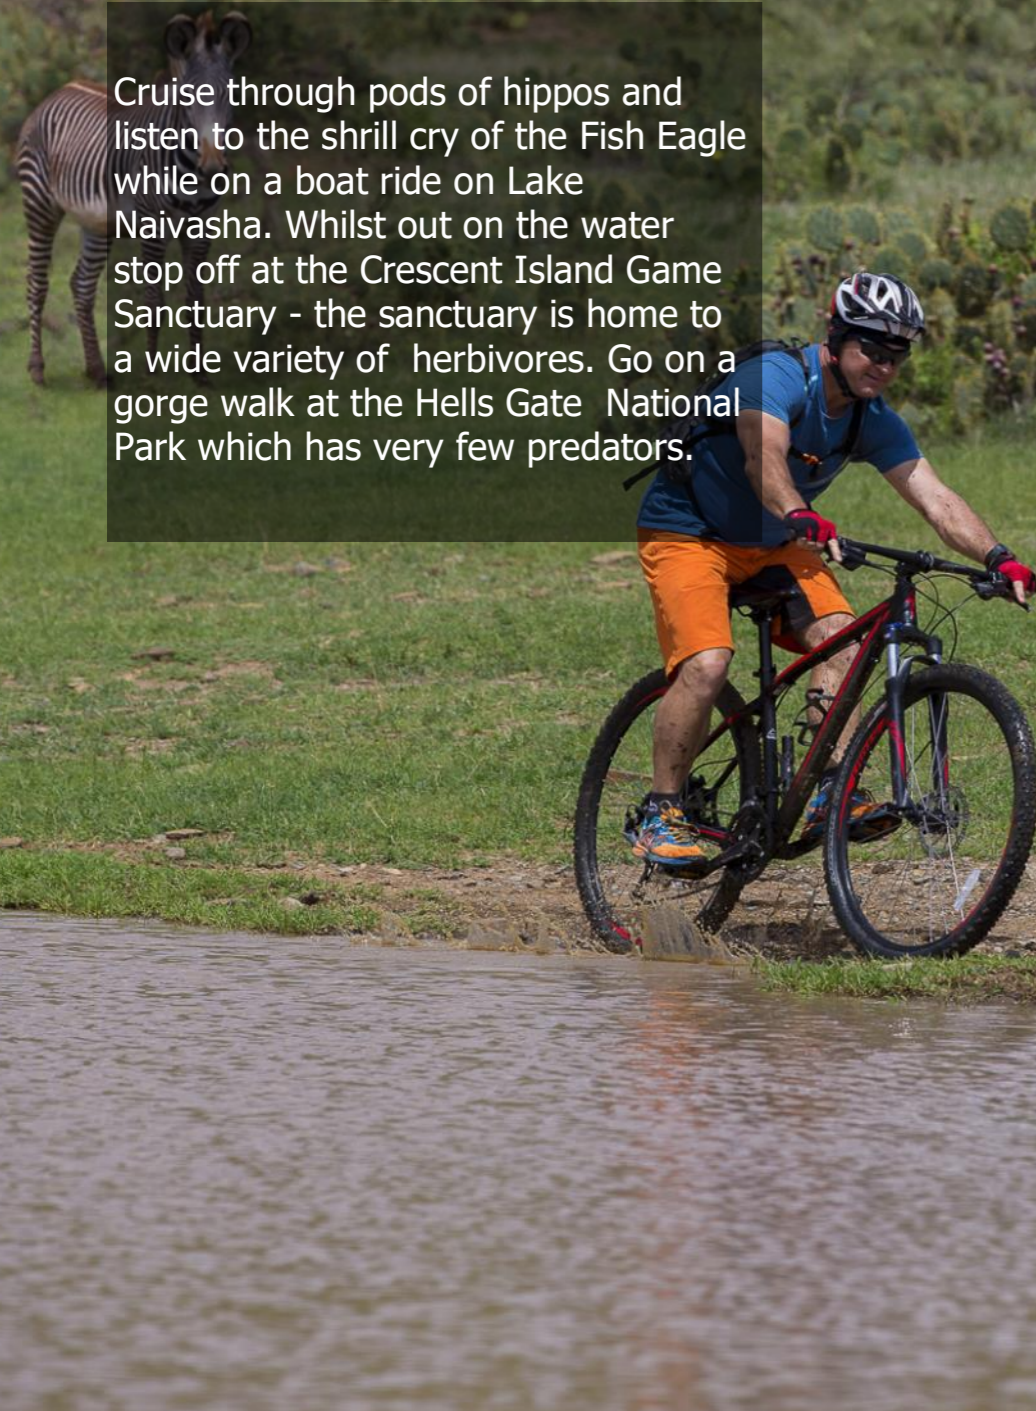

Explore the Aberdare's National park - one of Kenya's most beautiful forest parks & hike to the famous waterfalls, then set out onto Solio Reserve - famed for having the highest concentration of white rhinos in the world: over 200 individuals! Finally take some time to enjoy a nature walk from the lodge.

# Boats, Bikes and More

Cruise through pods of hippos and listen to the shrill cry of the Fish Eagle while on a boat ride on Lake Naivasha. Whilst out on the water stop off at the Crescent Island Game Sanctuary - the sanctuary is home to a wide variety of herbivores. Go on a gorge walk at the Hells Gate National Park which has very few predators.

# The Incredible Masai Mara

Enjoy four game drives in the vast expanses of the Masai Mara - Kenya's best known reserve and home to a myriad of wildlife including lions, leopards, elephants and much more. There's an option to go on bushwalks, meet the Maasai and savour sundowners from a scenic spot as you watch the sun sink over the horizon.
