Watch our tutorial on how to put an itinerary together

1. Please read through and understand the terms & conditions, abbreviations, inclusions, exclusions and cancellation policies.
2. Select the departure that your clients are interested in.
   - Please note that if you are selecting an East Africa (Kenya / Tanzania) departure you will need to add the Kenya price to the Tanzania price. Please make sure you select the correct season when adding the prices together.
   - If they are doing an extension (Kenya Coast, Zanzibar or Uganda) this will also need to be added to the total price.
3. Select the date of departure your clients are interested in.
4. Turn to page 5 for Nairobi hotels or page 25 for Arusha hotels and select the hotel most suitable for your client.
   - If your client requested a city excursion please remember to add this in—these are listed on page 6 for Nairobi and page 26 for Arusha.
5. Once you have selected the hotel, find the correct season and add this amount to the Game Trails departure you selected.
6. Add the transfer from the airport to the hotel.
   - Transfers costs are per vehicle NOT per person.
7. If your clients would like a beach extension turn to page 18 & 19 for the Kenya Coast hotels and page 37 for the Zanzibar hotels. Once you have selected the hotel please repeat points 5 & 6.
   - If your clients request a beach excursion turn to page 20 for Kenya Cost excursions and page 38 for Zanzibar excursions.
   - Please note that flights to both Mombasa/Diani and Zanzibar are not listed and will need to be quoted by a one of our dedicated team.
8. If your clients are not departing straight after their safari, you will need to include a night at the end in a Nairobi / Arusha hotel.
9. Finally you will need to include the transfer to the airport from Nairobi / Arusha.

PLEASE REMEMBER THAT THESE ARE NETT RATES—YOU WILL NEED TO ADD YOUR MARK-UP
