AKORN DESTINATION MANAGEMENT

MULTI-COUNTRY GERMANY

Our Pan-European services pull together operations across the continent, and working with a well-established, unique and sophisticated network of Regional Directors, Guardian Angels and the best local guides. It is this structure that gives us the unrivalled ability to deliver both specialist local destination management services and high-quality, multi-destination Group and FIT itineraries across Europe. Germany is perfectly positioned to combine with several countries including Austria, Switzerland, France, Czech Republic and Poland for exploration of the wider continent.
